Dear Mr. Grandey:

We are in receipt of your letter of October 30, 1973, requesting an extension of time for your client, Anaconda Aluminum Company, to respond to our request, pursuant to Section 114 of the Clean Air Act, for information relative to particulate matter emissions from its aluminum reduction plant in Columbia Falls, Montana.

This is to inform you that we have reviewed your request and hereby grant an extension of time to November 26, 1973, to submit the requested information.

Sincerely yours,

A handwritten signature in cursive script, reading "Irwin L. Dickstein".
